

Inauguration and open doors of the
Centre for Advanced Clinical Simulation
from April 25th till April 29th of 2022

Monday

10-11:30 h

Round table
**Gamification and
virtual reality**

11-13 h

Showroom
Simoons

12-13:30 h

Round table
**Simulations
for training
residents**

14-16 h

Simulation
Exhibition
Simoons

14-15:30 h

Round table
**Low cost
in simulation**

16-17:30 h

Round table
**Ultrasound
simulation**

16-18 h

Showroom
Simoons

Tuesday

10-11 h

Symposium
**From reflection to
practice: clinical
debriefing**

11-13 h

Showroom
Simoons RV

11-12:30 h

Round table
**Simulation
applied
to Quality,
Processes and
Innovation
Management**

14-15:30 h

Round table
**The role of
simulation
technicians:
functions and
solutions**

16-17 h

Symposium
**Simulation as a
learning tool**

Wednesday

8-18 h

Business
Showroom
**Hospital Hispania.
Laerdal. Medical
Simulator**

9-14 h

Showroom
FlowCAT

9-14 h

Showroom
Hybrids VITA

9-14 h

Showroom
Winco USG

10-12 h

Simulation
Exhibition
**Adult
Emergency Care
Simulation**

10:30-12 h

Round table
**Integration of
simulations
with healthcare
services**

11 -13 h

Simulation
Exhibition
Simoons

Thursday

15-16 h

Symposium
**Why and how:
Efficiency in
Education and
Training**

Friday

12-13 h

Simulation
Exhibition
**Simulation
in surgery of
neonatal ICU
+ Gynaecology
care**

12:30-14 h

Round table
2035 Simulation

13-15 h

Simulation
Exhibition
**Paediatric
Emergency Care
Simulation**

14-15 h

Symposium
**SIMOONS:
Co-creation of a
HUVH-PsychoVR
serious game**

15-16:30 h

Round table
**Clinical
simulation in
multidisciplinary
learning**

15-17 h

Simulation
Exhibition
**Resources for
the critical adult
patient**

17-18:30 h

Round table
**Learning via
simulation:
What do
residents think?**

Simulation Week

MONDAY

25

Round Table

On-site + Streaming

Gamification and virtual reality

10:00
11:30

Speakers:

Marcos Pérez Carrasco. Intensive Medicine Department. Vall d'Hebron University Hospital.

Iván Constenla García. Vascular and Endovascular Surgery Department. Vall d'Hebron University Hospital.

Mar Carrió Llach. Health Sciences Educational Research Group (GRECS). Department of Medicine and Life Sciences (MELIS). Pompeu Fabra University.

Lucia Maneiro. CEO PsicoVR.

Chair:

Mireia Arnedo Valero. Project Manager. Centre for Advanced Clinical Simulation. Vall d' Hebron University Hospital

Centre for Advanced Clinical Simulation. Multi-purpose Area. Rooms 3 and 4, 5th floor of the Traumatology, Rehabilitation and Burns Hospital

<https://gencat.zoom.us/j/97136150088>

Round Table

On-site + Streaming

Simulations for training residents

12:00
13:30

Speakers:

Cristina Dopazo Taboada. Hepatobiliary and Pancreatic Surgery and Transplants Department. Vall d'Hebron University Hospital.

Olalla Rodríguez Losada. Paediatric Emergency Care Department Vall d'Hebron University Hospital.

Mar Riveiro. Hepatology Department Vall d'Hebron University Hospital. Medical Emergency Service (SEM).

Meritxell Jiménez Llahí. Pediatric ICU Department Sub-coordinator of the Vall d'Hebron Centre for Advanced Clinical Simulation. Vall d'Hebron University Hospital.

Moderators:

Marcos Pérez Carrasco. Intensive Medicine Department. Vall d'Hebron University Hospital.

Sofía Contreras. Intensive Medicine. Sub-coordinator of the Vall d'Hebron Centre for Advanced Clinical Simulation. Vall d'Hebron University Hospital.

Centre for Advanced Clinical Simulation. Multi-purpose Area. Rooms 3 and 4, 5th floor of the Traumatology, Rehabilitation and Burns Hospital.

<https://gencat.zoom.us/j/96350084165>

Round Table

On-site + Streaming

Low cost in simulation

Speakers:

Miquel Aranda. Head of studies. Consorci Sanitari de Terrassa.
Cristóbal Añez. Head of studies. Joan XXIII Hospital in Tarragona.
Laura Buguñà. Innovation Coordinator for the MútuaTerrassa Foundation for Teaching and Research.
Ricardo Belmonte. Intensive Medicine and Cardiac Surgery Postoperative Unit (UPCC). Vall d'Hebron University Hospital.
Aida Camps Gómez. Head of the International Centre for Clinical Simulation and High Performance (CISARC).

Chair:

Mónica Rodríguez. Director of Teaching and the Centre for Advanced Clinical Simulation. Head of Studies and Chair of the Teaching Commission. Vall d'Hebron University Hospital.

14:00
15:30

Centre for Advanced Clinical Simulation. Multi-purpose Area. Rooms 3 and 4, 5th floor of the Traumatology, Rehabilitation and Burns Hospital

<https://gencat.zoom.us/j/99962963933>

Round Table

Streaming

Ultrasound simulation

Speakers:

Jagrup Kahlon. Senior Product Manager Ultrasound Solutions, CAE Healthcare.
Marina Garcia Garcia de Acilu. Intensive Medicine Department. Vall d'Hebron University Hospital.
Sonia Núñez Aguado. Anaesthesia, Resuscitation and Pain Management Department. Vall d'Hebron University Hospital.
Alba Farràs Llobet. Obstetrics and Gynaecology Department. Vall d'Hebron University Hospital.
Xavier Serres Créixams. Radiology Department. Vall d'Hebron University Hospital.

Chair:

Laura Galián Gay. Cardiology Department. Vall d'Hebron University Hospital.

Simulation applied to Quality, Processes and Innovation Management

11:00
12:30

Speakers:

Victòria Valls Comamala. Innovation Unit. Quality, Processes and Innovation Management Vall d'Hebron University Hospital.

Júlia Salvador Lodosa. Patient Safety Unit. Quality, Processes and Innovation Management Vall d'Hebron University Hospital.

Dimelza Osorio. Coordinator of the Quality and Improvement of Clinical Practice Department. Quality, Processes and Innovation Management Vall d'Hebron University Hospital.

Daniel López Torres. Process Department. Quality, Processes and Innovation Management Vall d'Hebron University Hospital.

Néstor Muñoz Navarro. Process Department. Quality, Processes and Innovation Management Vall d'Hebron University Hospital.

Chair:

Anna Sala. Head of the Innovation Unit; Quality, Processes and Innovation Management. Vall d'Hebron University Hospital.

Centre for Advanced Clinical Simulation. Multi-purpose Area. Rooms 3 and 4. 5th floor of the Traumatology, Rehabilitation and Burns Hospital

<https://gencat.zoom.us/j/93099418114>

Round Table

Streaming

The role of simulation technicians: functions and solutions

14:00
15:30

Speakers:

Vicente Prats. Technical specialist in clinical simulation. "San Vicente Màrtir" Catholic University of Valencia.

Carlos Aláez. Technical specialist in clinical simulation. Sant Joan de Déu Hospital.

Juan Carlos Jiménez. Technical specialist in clinical simulation. University of Barcelona Hospital Clinic.

Maria Gloria Álvarez. Technical specialist in clinical simulation. La Coruña Training Technology Centre.

Chairs:

Gemma Tejedor. Technical specialist in clinical simulation. Vall d' Hebron University Hospital.

Inés Pazos. Technical specialist in clinical simulation. Vall d'Hebron University Hospital.

Online

<https://gencat.zoom.us/j/94873918636>

Symposium

Twitter

Simulation as a learning tool

16:00
17:00

Speaker:

Esther León-Castelao. Former president of the Spanish Society for Simulation and Patient Safety (SESSEP) and vice president of the Society in Europe for Simulation Applied to Medicine (SESAM).

Chair:

Angèlica Varón Álvarez. Nurse of Emergency Care. The General Hospital. Vall d'Hebron University Hospital.

Showroom Simoons RV

On-site

Centre for Advanced Clinical Simulation. Espai Àgora. 5th floor of the Traumatology, Rehabilitation and Burns Hospital

WEDNESDAY

27

Round Table

On-site + Streaming

Integration of simulations with healthcare services

Speakers:

- Ignacio del Moral.** Director. Valdecilla Virtual Hospital.
- Jose Fco. Dolz Lago.** Clinical Director General and Digestive Surgery Department. Head of simulation-based training programmes. La Fe University and Polytechnic Hospital. Valencia.
- Alberto Centeno Cortés.** Technical coordinator. Training Technology Centre. Health area of La Coruña and Cee.
- Antonio Roman Broto.** Director of Healthcare Vall d'Hebron University Hospital.

Chair:

Jordi Bañeras. Coordinator of the Vall d'Hebron Centre for Advanced Clinical Simulation. Vall d' Hebron University Hospital.

10:30
12:00

Centre for Advanced Clinical Simulation. Multi-purpose Area. Rooms 3 and 4, 5th floor of the Traumatology, Rehabilitation and Burns Hospital

<https://gencat.zoom.us/j/93535023618>

Round Table

On-site + Streaming

2035 Simulation

Speakers:

- Manuel Gómez Fleitas.** Professor of Surgery, University of Cantabria, Santander.
- Ramon Maspons Bosch.** Chief Innovation Officer. AQUAS (Agency for Health Quality and Evaluation).
- Laia Arnal Arasa.** Business Development Director. Vall d'Hebron Research Institute.
- Raquel Cánovas Paradell.** Deputy Director of Medical Technology. Vall d'Hebron University Hospital.
- Francesc Iglesias Garcia.** Management Assistant Catalan Health Institute.

Chair:

Ignasi Maspons Molins. Biomedical engineer. Centre for Advanced Clinical Simulation. Vall d'Hebron University Hospital.

12:30
14:00

Centre for Advanced Clinical Simulation. Multi-purpose Area. Rooms 3 and 4, 5th floor of the Traumatology, Rehabilitation and Burns Hospital

SIMOONS: Co-creation of a HUVH-PsychoVR serious game

Speakers:

Rafael Tourón Estévez. CTO at PsicoVR.

Laura Millán Segovia. Intravenous catheter team. Sub-coordinator of the Vall d'Hebron Centre for Advanced Clinical Simulation.

Chair:

Mireia Arnedo Valero.

Project Manager. Advanced Clinical Simulation Centre. Vall d'Hebron University Hospital.

 14:00
15:00

Round Table

On-site + Streaming

Clinical simulation in multidisciplinary learning

Speakers:

Montserrat Juárez Vives. Vall d'Hebron Classroom. Teaching Management. Vall d'Hebron University Hospital.

Juan Carlos Ruiz. Intensive Medicine Department. Vall d'Hebron University Hospital.

Carmen Casal. Head of the Clinical Simulation Area. Faculty of Nursing and Podiatry. University of Valencia.

Lidia Huguet Bové. Paediatric Emergency Care Department. Vall d'Hebron University Hospital.

Tatiana Acero Bailen. Talent Management Unit. Vall d'Hebron University Hospital.

Chairs:

Alfons Biarnés Suñé. Head of the Anaesthesiology and Resuscitation Department at the Traumatology, Rehabilitation and Burns Hospital. Vall d'Hebron University Hospital.

Sonia Cañadas Palazón. Paediatric Emergency Care Department. Sub-coordinator of the Vall d'Hebron Centre for Advanced Clinical Simulation.

 15:00
16:30

Centre for Advanced Clinical Simulation. Multi-purpose Area. Rooms 3 and 4, 5th floor of the Traumatology, Rehabilitation and Burns Hospital

<https://gencat.zoom.us/j/95874458883>

Round Table

On-site + Streaming

Learning via simulation: What do residents think?

Speakers:

Maria del Carmen Iribarren Mateos. Fourth-year medical resident in Anesthesiology, Resuscitation, and Pain Management. Vall d'Hebron University Hospital.

Ruth Blanco Colino. Fourth-year medical resident in General Surgery. Vall d'Hebron University Hospital.

Laura Sayol. Third-year medical resident in Paediatrics. Vall d'Hebron University Hospital.

Clara Fernández. Second-year paediatric nursing resident. Vall d'Hebron University Hospital.

Alicia Lillo. Second-year paediatric nursing resident. Vall d'Hebron University Hospital.

Natalia Anglada. Second-year medical resident in Ophthalmology. Vall d'Hebron University Hospital.

Chair:

Michelle Laurens. Fourth-year medical resident in Anaesthesia, Resuscitation, and Pain Management. Vall d'Hebron University Hospital.

 17:00
18:30

Centre for Advanced Clinical Simulation. Multi-purpose Area. Rooms 3 and 4, 5th floor of the Traumatology, Rehabilitation and Burns Hospital
